November 09,2011, Approved by the 1th Student Affair meeting of academic year 2011

May 10,2018, Amended and Approved by the 5th Student Affair meeting of academic year 2017

**Article 1,** To enhance educational outcomes and ensure student participation in school affairs, this university, in accordance with the provisions of Chapter 3, Clauses 8 and 10 of its organizational charter, organizes student representatives for various levels of school meetings and hereby establishes these principles.

**Article 2,** The length of term for the representatives is basically one academic year. However, if other regulations exist for special assignments, the term length is not limited by this clause.

**Article 3,** The election of student representatives should be conducted within one month after the start of each academic year and convened by the Office of Student Affairs. Eligible candidates may include the leaders or key members of various autonomous student organizations within the university, such as the Student Association, Student Council, Graduate and Alumni Associations, departmental (or equivalent unit) associations, and Dormitory Self-Governance Associations.

**Article 4,** The election principles shall be conducted in accordance with the provisions of the meeting establishment guidelines or committee organizational regulations.

**(1) Representatives to the University Affairs Meeting:**

- a.** One representative each from the Student Association, Student Council, Alumni Association, and Dormitory Self-Governance Association.
- b.** One representative from each college, elected by representatives of departments (or equivalent units) within the respective college.
- c.** If the number of representatives does not reach one-tenth of the total members of the University Affairs Meeting, additional representatives shall be nominated or selected by the Student Association.

(2) Representatives for other meetings and committees shall be elected based on the nature of their service, the proportion of representatives required, and the relevant provisions, through mutual selection among the representatives.

**Article 5,** Representatives at all levels should attend University Affairs meetings with the principles of fairness and justice, striving to secure the greatest benefits for the university and students.

**Article 6,** These principles shall be implemented upon approval by the Student Affairs Meeting, and any amendments shall follow the same procedure.
