

University of  
**Zanjan**

The **6<sup>th</sup>** International Workshop on  
**UI GreenMetric World University Rankings (IWGM 2020)**  
Joint conference with the 3<sup>rd</sup> International Conference on Green University

*"Universities' Responsibility for Sustainable Development Goals  
and World's Complex Challenges"*

University of Zanjan, Iran  
September 2020  
[iwgm.ui.ac.id](http://iwgm.ui.ac.id)

## **A. Background**

For the past 10 years, UI GreenMetric has become one of the flagship programs of Universitas Indonesia that ranks universities around the world according to appointed indicators of campus environmental sustainability issues, such as setting and infrastructure, energy, waste management, water, transportation, and education. This ranking is one of the university’s efforts in promoting sustainability in campuses and also in involving stakeholders in any kind of effort to create a sustainable environment.

UI GreenMetric has a strong commitment to become a global platform for university students in the world to become active players in addressing the environmental challenges facing the world today. With the principle of mutual cooperation and sharing experiences, UI GreenMetric aims to raise awareness of universities as agents of change for a better world. The ranking is conducted through an online questionnaire system in which each university provided data about sustainability indicators. The data then automatically processed into a ranking.

This program has been conducted since 2010, the participation of universities around the world continue to increase. In 2010, approximately nearly 100 universities from 35 countries participated in the UI GreenMetric. In 2019, there are 780 Universities from 85 countries. The increasing number shows that this program can grab the attention of many universities throughout the world.

During the ranking process, many universities performance in UI GreenMetric have been improved. In order to increase the performance of each university in UI GreenMetric, universities need to share their sustainability’s achievement and current condition in a forum. 780 universities in UI GreenMetric Network are good examples of how sustainability policies can be implemented in universities in some respects such as setting and infrastructure, energy and climate change, waste and water management, transportation and also education. These universities can share information about the implementation of sustainability policies in each university.

## **B. Purpose**

International Workshop on UI GreenMetric aims to:

1. Disseminate and evaluate the implementation of the UI GreenMetric Rankings in participating universities worldwide.
2. Share information about sustainability to improve the campus by studying some best practices.
3. Provide an opportunity for universities on the top rank in UI GreenMetric to share their university’s policy, programs and implementation.
4. Provide an opportunity for cooperation in sustainability management in campuses.

### **C. Main Program**

The symposium will be opened by the President of University of Zanjan and Universitas Indonesia or their representatives. Keynote speakers from related ministries or organizations can be invited to the workshop. Speakers are invited to share their universities’ best practices in the areas of Setting and Infrastructure, Energy and Climate Change Policy, Waste, Water, Transportation, and Education and Research.

### **D. Number of Speakers and Participants**

Universities are invited to be participants based on their University's participation in the UI GreenMetric World University Rankings in 2019. Universities with top ranks in UI GreenMetric World University Rankings in 2019 will be invited to speak as speakers. In the previous events were present over 100 international delegates from 30 different countries including 23 speakers in parallel session and 17 presenters in poster session.

### **E. Name and Theme of Event**

Name : *The 6<sup>th</sup> International Workshop on UI GreenMetric World University Rankings (IWGM 2020) & 3<sup>rd</sup> International Conference on Green University*

Theme : *“Universities’ Responsibility for Sustainable Development Goals and World’s Complex Challenges”*

### **F. Organizer**

UI GreenMetric (UIGM) in collaboration with University of Zanjan, Iran.

### **G. Date and Venue of Event**

Date : September 2020.

Venue : University of Zanjan, Iran

## H. Tentative Program

<p style="text-align: center;"><b>THE 6<sup>TH</sup> INTERNATIONAL WORKSHOP ON UI GREENMETRIC WORLD UNIVERSITY RANKINGS &amp; THE 3<sup>RD</sup> INTERNATIONAL CONFERENCE OF GREEN UNIVERSITIES</b></p> <p style="text-align: center;"><i>“Universities’ Responsibility for Sustainable Development Goals and World’s Complex Challenges”</i></p> <p style="text-align: center;"><b>September 2020</b> University of Zanjan, Iran</p>

12:30 PM - 01:30 PM	Lunch
01:30 PM	Transfer to Hotel/Airport
03:30 PM	Arrival in Zanjan City

## I. Call for Papers (<https://iwgm.ui.ac.id/call-for-papers-2020/>)

### **Theme: “Universities’ Responsibility for Sustainable Development Goals and World’s Complex Challenges”**

The 6th International Workshop on UI GreenMetric World University Rankings (IWGM 2020) and 3<sup>rd</sup> International Conference on Green University will be hosted by Zanjan University, Iran in September 2020. It will provide an opportunity for participating universities to showcase their innovation and best practices relative to the latest issues in the management of setting and infrastructure, energy, waste, water, transportation, education and research in your green campus. There will be three additional sub-themes for the parallel sessions during the Workshop: Green Campus Design in Universities, University Impact on the Sustainability of Urban and Rural Communities and Innovations for Biodiversity Conservation in Universities.

The Organizing Committee hereby invites participating universities to present their papers in the parallel sessions or exhibit their posters in the sessions provided. Interested universities should send their abstracts. The scientific committee will select the abstracts and decide which ones will get the opportunity to be presented and exhibited. The UI GreenMetric Secretariat team will notify submitters/authors of their conference participation opportunities.

Accepted papers will be published in a proceeding book and will also be made available online on our website ([greenmetric.ui.ac.id](http://greenmetric.ui.ac.id)).

Please note:

- Abstracts and full papers should be **submitted through the online abstract and full paper submission system**.
- The length of full papers is **5-7 pages**.
- For Parallel Sessions, presenters should give their presentation soft files to the technical assistant during the break before your session. Presenters will not be

permitted to use their own laptops. You must have your presentation material on a USB. Slides should follow the standard **PowerPoint size (16:9)**.

- For Poster Session, please bring your printed poster with you to the conference. Poster size: standing (**vertical/portrait**) **A0 (84,1 x 118,9)**. You can exhibit your poster beginning from 08.00 a.m. in the second day, and must take it down by 17.15 p.m. on the same day. Please note that we cannot send or receive posters by post. Any remaining posters will be disposed of.

**Abstract Submission** (The due date for the **Abstract** is **19 April 2020**)

**Template of Full Paper (download)**

**Full Paper Submission** (The due date for the **Full Paper** is **20 May 2019**)
