

# 學術「考績」，為誰帶來好處？

談掠奪性出版社  
(Predatory Publishers)

國立成功大學  
學術誠信推動辦公室  
Office of Academic Integrity, NCKU

成大副校長張俊彥：

“我想再強調一遍，成大絕對沒有**結構性的因素**，會去鼓勵老師投遞掠奪性期刊，因為他做這些事是徒勞無功、沒有 credit 的。如果一個學者的履歷，列出來的論文都是這種雜誌，我們的面試官第一個就把他丟到垃圾桶。”

- 整體結構性因素，這句話當然正確!

學術界偏重以「點數」 (Impact Factor) 來評量學術單位、教師研究能量。學術從業人員為求教職、升等、評鑑則必須提供「考績」，職位才能穩坐。

但是，學術經費、升等年限等多方壓力，研究考績偏弱的研究人員，眼看年限將至，寧願盲人騎瞎馬。

也就是說，有人願打，有人願挨，有人選擇「不去查證」？  
(需要你的刊登費) (反正會幫我快速出版，多一篇是一篇) (就真的有刊登阿...)

屆時出包，再來爭執自己有多無辜.....  
(我真的甚麼都不知道阿... 嗚嗚 QQ)

## 掠奪性出版社

- 「掠奪性期刊」(Predatory Journal)、  
「掠奪性研討會」(Predatory Conference)
- 目的是甚麼？
  - 營利!! 毫無學術交流可言!!
- 背後的利益是甚麼？
  - 你繳的刊登費
- 交換的利益是？
  - 出版商要營利，研究人員要發表績效，雙方各取所需??
  - 或，真的是迷途的小白兔，誤闖森林禁地??

事件的起源是這樣發生的...

## 傳統出版商的穩贏模式

1. 商業學術出版商漁翁得利
  - 投稿人：提供出刊的內容，
  - 學術研究機構：繳納訂閱費，取得使用權 (access right)
2. 購買這些學術期刊的費用越來越高，多數學校根本無法負擔
  - 成功大學，2017 年全校書刊經費 1 億 7313 萬元，  
(期刊資料 (含電子期刊)、電子資料庫 (電子書) 共 1 億 5446 萬元，佔總支出 89%)
  - 哈佛大學，2012 年，圖書館期刊訂閱費用 350 萬美金
3. 圖書館沒有實際擁有一份圖書館館藏，僅能在合約期限內使用，合約到期、軟硬體限制等因素則失去使用權 (部分雖有永久使用權，但訂購費高)
4. 商業學術出版社要求作者以排他授權方式，將著作權讓給出版社
  - 作者本身 (研究人員) 失去自己公開、傳播自身著作的權力

## 開放取用/近用 (Open Access)

- 扭轉獨厚出版商的窘境，擴大研究資源的公開主要訴求
- 提出 3 個國際宣言《布達佩斯/貝塞斯達/柏林公開取用宣言》
  - 確立 Open Access 發展方向
  - 2 種主要途徑
    - 自我典藏 (self archiving)
      - 鼓勵學者將學術成果電子檔公開於機構典藏供大眾全文閱讀
    - 開放近用期刊 (Open Access Journal)
      - 學術文獻透過公共網路、免費使用，不因經濟、法律與技術等障礙限制
      - 允許自由閱讀、下載、複製、傳播、列印、檢索等從事其他任何合法使用

# Open Access 期刊營運模式

- 與傳統期刊相同，皆須透過同儕審查!!
- 沒有訂閱費。那，出版商怎麼營運？
  - 費用轉嫁於投稿人(作者)，支付論文處理費 (Article Processing Charges, APCs) 或刊登費，以維持營運
  - 外文 Open Access 期刊收費，介於 1000-3000 美元
  - 部分電子期刊出版商 (SAGE、Elsevier、Springer、Taylor & Francis) 提供複合式 Open Access (Hybrid Open Access)
    - 2500-3000 美金

## 掠奪性期刊的詐騙行為

- 披著「Open Access 經營模式」的皮，卻只為「營利」之實
  - 1) 宣稱為 Open Access 期刊，賺取由作者支付論文處理費
  - 2) 宣稱有同儕審查 (正常審稿期間需要 3-6 個月)，實際卻是以最短時間內刊登，文章也無須大幅修改 (甚至連改都沒改!)
- 簽署著作權讓渡書，傳統期刊會於稿件**接受刊登**才會要求簽屬；掠奪性期刊可能在 2 個時機點要求：
  - 1) 投稿時，一併與稿件提交
  - 2) 接受刊登時要求
- 對於作者的影響
  - 1) 白費學術成果：當發現誤擲到掠奪性期刊想撤稿，掠奪性出版商會不理你；如果已簽屬讓渡書時，想撤稿的機會更加渺茫
  - 2) 玷汙學者清譽：一旦與掠奪性期刊沾上邊，「取巧」、「短時間想累積成果」、「求量不求質」的惡名很難洗清

以下，提供幾項查詢網路資源、注意事項及  
操作畫面，免於誤入掠奪性期刊的泥沼

## 確認是否為掠奪性期刊，需要先熟悉幾項查詢工具

1. 期刊雜誌的國際標準期刊編號 (International Standard Serial Number)
  - pISSN (紙本版), eISSN (電子版)
  - 永久性、一個期刊只對應一組 ISSN
  - 停刊後，原號碼也不再提供給其他刊物使用
2. 查詢資料庫及工具
  - Web of Science，確認期刊品質 (查閱 JCR，確認 JIF)
  - **ULRICHSWEB** (全球期刊出版目錄, [LINK](#))，確認收錄狀況
  - 宣稱屬 Open Access 期刊
    - DOAJ (Direct Open Access Journals, [LINK](#))，確認是否為營運資訊透明的 Open Access 期刊
    - OASPA (Open Access Scholarly Publishers Association, [LINK](#))，確認是否為謹守開放取用學術倫理的期刊出版社
  - Beall's List ([LINK](#))，掠奪性期刊嫌疑名單

## 接觸陌生期刊的觀察點

1. **主動**寄信到學校/公務信箱，標題打出 JIF、主動來邀稿，可能是掠奪性期刊
  - 強調影響係數
  - 強調審查天數 (可能 2 周、29 天)，但都比傳統審查期**快速!!**
  - 方便操作，提供超連結
2. 查看期刊所屬的網頁、瀏覽幾項要素
  - 是否有**同名不同身** (相同刊名、縮寫相同、網址相同)
  - **影響係數** (來自 JCR，還是其他? 如 GOOGLE Scholar)
  - 查閱期刊解說，**是否刊名前後不一致**、出版流程不明
3. 出版商/期刊，著作權讓渡程度
  - 作者是否保由著作權
  - 能否申請放入學術/研究機構典藏

註：下述簡報呈現的 JIF 為 2017 年公布版本

寄件人：疑似掠奪性期刊主編

## 案例 1\_主動寄信

寄件人：Neuropsychiatry [Neuropsych@neurologyinsights.org](mailto:Neuropsych@neurologyinsights.org)

標題：Follow-up: Update Neuro & Psychiatry Studies: NPY (IF: 1.45)

Hello 郝好片醫師：

收件人：醫學院郝老師的公務信箱

Greeting from Neuropsychiatry...

We have approached you through research invitation yesterday by e-mail, for eminent submission. Since we are familiar with your preoccupied schedule and commitments in research works, we haven't received any feedback, hence resending the invitation.

We are happy to inform you that Neuropsychiatry (Impact factor: 1.45) is now accelerating submission for Upcoming Volume of 2017.

強調影響係數

We accept all research forms for quality dissemination.

Indexed in: Journal Citation Reports/Science Editions, Science Citation Index Expanded (SciSearch®), Scopus, EMBASE/Excerpta Medica, EMCare.

Manuscripts & possible queries can be submitted via mail directly at [Neuropsych@neurologyinsights.org](mailto:Neuropsych@neurologyinsights.org)

強調  
被哪些資料庫收錄

Sincerely,

JJ

Editorial Coordinator

Neuropsychiatry

日期: Tue, 28 May 2019 08:58:20 +0800

寄件者: "jbt@rajpub.com" <jbt@rajpub.com>

收件者: z10705004@email.ncku.edu.tw

主旨: [JBT] Impact Factor 1.007

強調有 IF

完全表頭

詳列附件

JBT is scientific, international, peer-reviewed and open access journal devoted to the field of BIOTECHNOLOGY and provides rapid publication of articles frequently in its issues. JBT publishes original review papers, as well as auxiliary material such as: Research Papers, Case Studies, Review Articles and Reports etc. JBT is the place for exchange of information and research results within all areas of BIOTECHNOLOGY and allied fields.

We recommend that you review the [About the Journal](#) page for the journal's section policies, as well as the [Author Guidelines](#). Authors need to [register](#) with the journal prior to submitting or, if already registered, can simply [log in](#) and begin the five-step process.

## Important Dates:

Submissions : Open for **Volume 8 (2019)**

Publication Frequency: Continuous

Average Review Time : 29 days

強調審查時間快速

## Avoid Paper Rejection

As an excellent writer/author in your field, you deserve to be published without being rejected;

1. Make sure your research title describes (a) the topic, (b) the method, (c) the sample, and (d) the results of your study
2. The abstract should be self-contained, citation-free, and should not exceed 200 words. An abstract is a brief summary of a research article, thesis, review, conference proceeding, or any in-depth analysis of a particular subject and is often used to help the reader quickly ascertain the paper's purpose.
3. Format your paper according to standard of the journal.
4. Remove the plagiarism.
5. Length of the article should be appropriate.
6. Review spelling and grammatical errors.
7. Add conflicts of interest, author biography and cover letter.
8. Add appropriate number of references in proper format.
9. [Submission \(Help Video\)](#)

自稱有同儕審查，到底有沒有落實？

Peer Review process: Journal uses double blind peer review system to ensure originality, timeliness, relevance and readability.

Regards

文末期刊署名 vs 來信標題縮寫 [JBT]，是否有出入？

## Impact Factor

The **impact factor** (IF) is a measure of the frequency with which the average article in a journal has been cited in a particular year. The **impact factor** is used to measure the importance or rank of a journal by calculating the times its articles are cited.

The **ICI Journals Master List** database contains over 22 000 journals, including 3000 from Poland. Journals that are registered here, underwent a multidimensional parameterization successfully. As a confirmation of the indexation in our database journals receive the **ICV** (*Index Copernicus Value*).

**Cellular and Molecular Biology**  
An Interdisciplinary Journal of Molecular Biology, Biochemistry and Physiology

Home > Cellular and Molecular Biology

**Cellular and Molecular Biology** publishes original articles, reviews, short communications, methods, meta-analysis notes, letters to editor and comments in the interdisciplinary science of Cellular and Molecular Biology linking and integrating molecular biology, biophysics, biochemistry, enzymology, physiology and biotechnology in a dynamic cell and tissue biology environment, applied to human, animals, plants tissues as well to microbial and viral cells. The journal Cellular and Molecular Biology is therefore open to intense interdisciplinary exchanges in medical, dental, veterinary, pharmacological, botanical and biological researches for the demonstration of these multiple links.

**Disclaimer**  
The Editor-in-chief and the Editorial Board wish to make it clear that no inaccurate or misleading data, opinion and statement should appear in the articles and advertisements of this journal and that they are under the sole responsibility of the contributor or the advertiser. Nobody can publish or advertise anything in this journal without the written permission of the Editor-in-Chief, sole responsibility of the journal.

**The paper Submission**  
Papers, submitted to this journal, having neither been submitted, accepted nor published previously or simultaneously in other journals or books, may be accepted. It should be noted that all papers have to be transmitted, either to the Editor-in-Chief, to the Associate Editors or to the Co-Editors, who can all, without exception, handle the totality of the procedures, leading to the evaluation of the papers. After revision and acceptance of the paper, it is transmitted to the Editor-in-Chief who decides finally about its definitive acceptability. No any claim can be made by the author(s) concerning an eventual rejection of the paper.

a collection of freely available articles in support of

Earth Day 2019  
Protect Our Species

ISSN: 0021-8596 (Print), 1469-5146 (Online)

Editors: Dr Paul Bilbrough School of Agriculture Food and Rural Development, Agriculture Building, | Newcastle University, | NE1 7RU, UK and Professor Julian Wiseman University of Nottingham | School of Biosciences, Sutton Bonington Campus | Loughborough | Leicestershire, LE12 5RD, UK

Editorial board

*The Journal of Agricultural Science* publishes papers concerned with the advance of agriculture and the use of land resources throughout the world. It publishes original scientific work related to strategic and applied studies in all aspects of agricultural science and exploited species, as well as reviews of scientific topics of current agricultural relevance. Specific topics of interest include (but are not confined to): all aspects of crop and animal physiology, modelling of crop and animal systems, the scientific underpinning of agronomy and husbandry, animal welfare and behaviour, soil science, plant and animal product quality, plant and animal nutrition, engineering solutions, decision support systems, land use, environmental impacts of agriculture and forestry, impacts of climate change, rural biodiversity, experimental design and statistical analysis, and the application of new analytical and study

Journal of Agricultural Science (JAS) is an international, double-blind peer-reviewed, open-access journal, published by the Canadian Center of Science and Education. It publishes original research, applied, and educational articles monthly in all areas of agricultural science. Journal of Agricultural Science is striving to provide the best platform for researchers and scholars worldwide to exchange their latest findings. Authors are encouraged to submit complete, unpublished, original works that are not under review in any other journals. The journal is published in both print and online... [Read More >](#)

### Announcements

- [Publication Fees Adjustment Notice \(Effective June 1, 2019\)](#)

⌚ *Posted on Feb 21, 2019* Effective June 1, 2019, the publication fee will increase from 300.00USD to 400.00USD. Manuscripts submitted on or after this date will be charged the new rate of 400.00USD per article. [Read More >](#)

(資訊由國立成功大學圖書館醫分館提供)

## About the Journal

**Journal of Neonatal and Pediatric Medicine (NNP)** is a scholarly Open Access journal that aims to publish most complete and reliable source of information on vast topics of nutrition that include various aspects of neonatal perinatal medicine, neonatal intensive care, neonatal treatment, neonatal drugs, neonatal feeding, neonatal nursing, neonatal infections in the mode of original research and review articles, as well as case reports, short communications, commentaries, mini reviews and making them freely available online without any restrictions or any other subscriptions to researchers worldwide.

The peer-review process is designed to ensure the consistency of the submitted manuscripts in line with the set guidelines for a standard open access case report or research paper. **The Neonatal and Pediatric Medicine** has been acquired by OMICS International for dissemination of knowledge in the field of Neonatal health care and medicine with provision of free sharing and transmission of articles under the norms of the Bethesda Statement.

OMICS International Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

## Neonatal Stroke

Neonatal stroke is defined as the improper blood supply of the developing brain in the first 28 days of life. It includes ischemic events, neonatal stroke causes blockage of vessels, and hypoxic events, causing lack of oxygen to the brain tissue. Maternal disorders which lead to neonatal stroke are autoimmune disorders, coagulation disorders, prenatal cocaine exposure, infection, congenital heart disease, diabetes, and trauma etc.

## 案例 4\_其他資料庫的 JIF

Various types of journal impact factor description is provided in the following section:

### 5 Year Journal Impact Factor

The 5 year journal impact factor is the average number of times, the articles published in a journal get cited in last 5 years. It is calculated by dividing the number of citations received with the total number of articles published in previous five years. The 5 year journal impact factor is available only for the journals that completed 5 or more volumes.

### Aggregate Journal Impact Factor

The aggregate journal impact factor for a subject category is calculated using the same method as the journal impact factor for a journal, but it also includes the number of citations for all journals in the category and the number of articles from all journals in the category. An aggregate journal impact factor of 1.0 implies that the articles in the subject category published in recent two years have been cited once on an average. The median Impact factor is the median value of all journals impact factors in the subject category. The journal impact factor extenuates the significance of absolute citation frequencies. It alleviates the advantage of large journals over small journals because large journals circulate a larger body of citable literature. It also mitigates the benefit of frequently issued journals over less frequently issued ones and of older journals over newer ones. For the reason that the journal impact factor offsets the advantages of size and age and it is a helpful contrivance for journal evaluation.

\*2017 Journal Impact Factor was established by dividing the number of articles published in 2015 and 2016 with the number of times they are cited in 2017 based on Google Scholar Citation Index database. If 'X' is the total number of articles published in 2015 and 2016, and 'Y' is the number of times these articles were cited in indexed journals during 2017 then, journal impact factor =  $Y/X$

說明：  
套用 JCR 的 IF 的計算公式，但  
採計資料庫來源卻非SCI或SSCI  
(如 GOOGLE Scholar) 或造假

## 案例 5\_遵守出版倫理

### Policies

#### About editorial policies

The Nature Research journals' (including Nature and the journals with "Nature" in their titles) editorial policies concerning publication of primary scientific research can be found on the pages listed below. A list of these journals and a description of the relationship between them [can be found here](#). In August 2015, the Nature Research journals became members of the Committee on Publication Ethics. We **will be guided by COPE guidelines,**

however the Nature Research journals will continue to make independent decisions based on our existing policies and principles.

For details on the editorial policies for the Academic Journals (or non-Nature titles), please visit their [websites](#).

Manuscripts are accepted with the understanding that the authors have not violated any ethical practice followed in preparation and publication of biomedical manuscripts. The list practices that are considered unethical are given in the journal website (<http://www.ijcep.org>). Author/s is/are responsible for all the statements made in their work and should be willing to defend them publicly, if challenged. Authors should prepare their manuscripts submitted to the journal exactly according to the instructions given. Manuscripts which do not follow the format and style of the journal may be returned to the authors for revision or rejected. The journal reserves the right to make any further formal changes and language corrections necessary in a manuscript accepted for publication. Manuscripts and figures are not returned to the authors, not even upon rejection of the paper. IJCEP follows double blind peer review process.

以 Nature 集團說明：  
在 editorial policies 清楚告知，遵守 COPE 出版倫理。  
(註：事情還沒結束，不是他寫了就算，需要前往查詢是否為 COPE 會員)

掠奪性期刊：  
不知所云；又或者有些會告知為 COPE 會員，實際查詢卻查無資料

## 案例 6\_著作權讓渡

- 投稿時有要求簽讓渡稿件著作權嗎? 或是有「一旦稿件接受即為讓渡著作權」等字樣嗎?

I/We hereby declare that the material being presented by me in this paper is my/our original work, and does not contain or include material taken from other copyrighted sources. Wherever such material has been included, it has been clearly indented and/or identified by quotation marks and due and proper acknowledgements given by citing the source at appropriate places. The paper, the final version of which I/we enclose, is not substantially the same as any that I/we have already published elsewhere. I/we have not sent the paper or any paper substantially the same as the enclosed one, for publication anywhere else. It will not be submitted anywhere else for publication prior to acceptance/rejection by this Journal. A copyright permission is obtained for materials published elsewhere and which require this permission for reproduction.

Furthermore, I/we hereby transfer the unlimited rights of publication of the above mentioned paper in whole to [www.aarpub.com](http://www.aarpub.com). The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (online, offline) or any other reproductions of similar nature. The corresponding author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. This agreement is to be signed by at least one of the authors who have obtained the assent of the co-author(s) where applicable. After submission of this agreement signed by the corresponding author, changes of authorship or in the order of the authors listed

The transfer of copyright gives AJENS the right to develop, promote, distribute, sell, and archive a body of scientific works throughout the world. The Author hereby grants and assigns to AJENS all rights in and to Author's work in and contributions to the Work. In connection with this assignment, the Author acknowledges that AJENS will have the right to print, publish, create derivative works, and sell the Work throughout the world, all rights in and to all revisions or versions or subsequent editions of the Work in all languages and media throughout the world. The author(s), reserve the following rights:

- All proprietary rights other than copyrights, such as patent rights,
- The right to use all or part of this article, including tables and figures in future works of their own, provided that the proper acknowledgment is made to the Publisher as copyright holder, and
- The right to make copies of this article for his/her own use, but not for sale.

I warrant and represent that the work does not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the Work is factually accurate and contains no matter libellous or otherwise unlawful; that I have substantially participated in the creation of the Work and that it represents my original work sufficient for me to claim authorship. I further warrant and represent that I have no financial interest in the subject matter of the Work or any affiliation with an organization or entity with a financial interest in the subject matter of the Work, other than as previously disclosed to the Association.

## 誠信辦公室的提醒

請多加利用學校圖書館所購買的資料庫來搜尋文獻，慢慢改掉凡是 google 的習慣。

以成大來說，除了 WOS (SCI/SSCI/A&HCI) 資料庫，生醫領域仍可透過 PubMed (美國國家醫學圖書館所建置)、工程領域以 Compendex (包含常見 IEEE 標準等) 資料庫，擴大搜尋資源。

以關鍵字搜尋資料庫，了解各領域研究進程，確立研究方向。  
更重要的是能夠免於劣質文獻干擾、甚至是掠奪性期刊所刊登的文章，不僅浪費研究經費與資源，更毀壞自己的清譽。

成大花了 1.5 億費用購買上述的資料庫，仍因掠奪性期刊蒙羞，實屬冤枉；希望能藉此讓更多研究人員改變搜尋文獻的習慣。
