

2025 International Conference for Healthy Aging and Mental Wellbeing

We welcome abstracts (in English, up to 300 words) for oral or poster presentations addressing “mental wellbeing in the context of healthy aging”. Submissions should include the following sections: Background, Aims, Methods, Results, and Conclusion.

- Due to limited space and time, only limited abstracts may enter oral session. At submission, the author may choose if the abstract should be considered for poster presentation if not selected for oral presentation.
 - As all oral and poster presentations are simultaneous, each delegate could submit ONLY ONE abstract as main presenter.
 - For those who submit multiple abstracts as presenters, only the last abstract submission will be considered.
 - We welcome submissions from psychiatrists, neurologists, gerontologists, geriatricians, psychologists, and students in these fields.
-

ORAL PRESENTATION

- Oral sessions allow authors to present their research in 10 minutes in English or Mandarin.
 - Awards:
 - First place: \$5000 NTD
 - Second place: \$4000 NTD
 - Third place: \$3000 NTD
-

POSTER PRESENTATION

- A poster presentation allows an author to provide a visual summary of their research. A poster should be prepared in English and should be self-contained and self-explanatory, allowing different viewers to proceed on their own while the author is free to supplement or discuss points raised in enquiry.
 - Poster size is 150cm(W)*90cm(H)
 - Awards:
 - First place: \$3000 NTD
 - Second place: \$2000 NTD
 - Third place: \$1500 NTD
-

SUBMISSION FORMAT AND SUBMISSION

- All abstracts should be written in English (300 words maximum) with the following sections: Background, Aims, Methods, Results, Conclusion.
 - Deadline: October 20th, 2025, by 12:00 Midnight (Taipei Standard Time Zone)
 - Submit the document in Word format.
 - Abstract submission site: <https://forms.gle/mWoJhr55NddDUSJ2A>
-

SELECTION CRITERIA

- Clarity of abstract and alignment with abstract format for the conference
- Implications and significance of the study/project
- Relevance to the conference topics.
