Clause 1 In order to recognize YZU students' excellent performance and achievement during their study at the university and encourage the students to live up to their potentials with the goal of building the spirit of YZU members, this set of details is established based on Clause 32 in the College Laws.

Clause 2 The rewards items include the following:

- I. General rewards.
- II. YZU Gold and Silver Medals.
- III. Achievement Medals.

Clause 3 The rewards are given in the following formats:

- I. The excellent performance and achievement will be recorded in the students' files and the Student Honor Bulletin.
- II. The students will be rewarded with award letters, medals, money, certificates and trophies.

Clause 4 The scopes of the rewards cover academic performance, academic activities, general activities, service, talents and physical education.

Clause 5 When the students' achievement meet one of the following conditions, they will receive general rewards.

- I. The students have attend the activities held outside of the university and have won honors for the school.
- II. The students have been elected as departmental staff and perform responsibly with achievements.
- III. The students attend or held the activities recommended by the divisions at YZU.
- IV. The students have held more than 10 extracurricular activities in an entire academic year.
- V. The students have served as the extracurricular club staff for an entire academic year.
- VI. The students have served as a YZU volunteer for an entire academic year.
- VII. The students have served on different university committees for an entire academic year.
- VIII. The students have participated special activities approved by the YZU divisions.
- IX. The students have represented the university and won in the inter-collegiate competitions and contests.
- X. The students have represented the university to participate in both the on-campus and off-campus activities with achievements.
- XI. The students have served both on-campus and off-campus with acknowledged excellence in performance.
- XII. The students have other achievements and should be the models of other students.

Clause 6 When the students' achievements meet the following conditions, they can be recommended for the YZU Silver Medals.

- I. Silver Medals for Academic Performance: the students who have performed excellently in their academic grades and have been recommended by their departments. Each class should elect one student in each year from each department.
- II. Silver Medals for Academic Achievements: the students who have won the first three places in on-campus or off-campus academic competitions. The undergraduate and Master's degree students whose learning or research outcomes have been published in famous journals in or outside of Taiwan are qualified. The journals have to be classified as Level B by the departments or colleges.
- III. Silver Medals for Activities: the club members who have served in the students' organizations (related to academic performance, music, recreation, physical education, and friendship building) that have been

evaluated at Level A in the academic year assessment are qualified for this award.

- IV. Silver Medals for Service: the students who perform excellently in serving their organizations (student-governed and service-providing) or volunteering in on-campus and off-campus activities with Level B evaluation in the academic year assessment are qualified for this award.
- V. Silver Medals for Talents: the students who have participated in the talent contests at YZU and won the first place or those attending regional contests and won the first three places are qualified for this award.
- VI. Silver Medal for Physical Education Performance: those who have been evaluated by the Physical Education Office and have met one of the following conditions are qualified.
 - (1) Those who represent YZU to attend national physical education contests and won the fourth to the eighth places are qualified.
 - (2) Those who represent YZU to attend regional physical education contests and won the first place or special honors are qualified.
 - (3) Those who have set new records in physical education categories at YZU are qualified.

Clause 7 When the students' achievements meet one of the following conditions, they can be recommended to apply for YZU Gold Medals.

- I. Gold Medals for Academic Performance: the students who have graduated with excellent performance can be recommended by their departments for this award. Each department can only recommend one student.
- II. Gold Medals for Academic Achievements: the students who meet one of the following conditions are qualified for this award.
 - (1) The students have won the first three places in international academic competitions are qualified.
 - (2) The students have won the first place or special honors in national academic competitions are qualified for this award.
 - (3) The undergraduate and Master's degree students whose learning or research outcomes have been published in famous journals in or outside of Taiwan are qualified. The journals have to be classified as Level A by the departments or colleges.
- III. Gold Medals for Activities: the students who have won Silver Medals and met one of the following conditions are qualified for this award.
 - (1) The student is the head of the student organization and, in his/her term, the club has been evaluated as an excellent club.
 - (2) The students have won the first three places in national competitions

and brought honors to YZU.

IV. Gold Medals for Service: the students who have won Silver Medals and met one of the following conditions are qualified for this award.

- (1) The student is the head of the student organization and, in his/her term, the club has been evaluated as an excellent club.
- (2) The students have served as volunteers for more than a year and have been responsible for major activities taking place at YZU. With excellent performance, they can be recommended for this award when passing the evaluation of the Volunteer Consultation Evaluation Committee.
- (3) The students who have performed excellently and won the first three places in national competitions to bring honors to YZU.

V. Gold Medals for Talents: the students who have participated and won the first place in either the international or national talent competitions.

VI. Gold Medal for Physical Education Performance: those who have been evaluated by the Physical Education Office and have met one of the following conditions are qualified.

- (1) Those who represent YZU to attend international national physical education contests and won the first three places are qualified.
- (2) Those who represent YZU to attend national physical education contests and won the first three places or special honors are qualified.
- (3) Those who have set new records in physical education categories at YZU are qualified.

Clause 8 When the students' achievements have met the following conditions and have been qualified again for Gold Medals can apply for Achievement Medals based on recommendation.

- I. Academic Achievement Medals: Those students who have won twice Silver Medals and one time Gold Medals are qualified.
- II. Achievement Medals for Activities: Those who have won twice Silver Medals for Activities and one Gold Medal for Activities are qualified.
- III. Achievement Medals for Service: Those who have won twice Silver Medals for Service and one Gold Medal for Service are qualified.
- IV. Achievement Medals for Talents: Those who have won twice Silver Medals for Talents and one Gold Medal for Talent are qualified.
- V. Achievement Medals for Physical Education: Those who have won twice Silver Medals for Physical Education and one Gold Medal for Physical Education are qualified.

Clause 9 The details for evaluating the students and actual evaluation for each medal will be established by different divisions: the Office of Academic Affairs (academic performance), each college (academic achievement), Physical Education Office (physical education) and the Office of Student Affairs (activities, service, talents). All the details have to be sent to the Student Affairs meeting for approval. The applicants or their departments can prepare the documents required for recommendation procedures. The information includes activity records, physical education or talent competition scores. After the evaluation of related evaluation procedures, the decision will be sent to the Student Affairs meeting for approval before the winner lists are announced.

Clause 10 The medals in the same scope can only be applied once each academic year. The Achievement Medal is limited to only the students graduating that year. The application timeline is as follows:

- I. Gold and Silver Medals: the students can submit their applications in the fall semester of each academic year based on their performance in the previous two academic years.
- II. Achievement Medals: the graduating students of the year can submit their applications in the spring semester of their graduating year based on the records of the previous years.

Clause 11 If the winners are reported to have violated the stipulations, the same procedures can be taken to revoke their qualifications.

Clause 12 When the students' behaviors meet the qualifications for general rewards and other scholarships, they can prepare the documents and submit their applications to the administrative or teaching divisions at YZU. With the approval of the Level One supervisors at the divisions, the award winning records can be listed in their academic information system. The related documents can be applied at the Joint Service Counter.

Clause 13 The award winners will receive their certificates and medals prepared by each evaluation division. Moreover, the Office of Student Affairs will compile the name list of all winners to publicly acknowledge these winners at important meetings or graduation commencement at YZU. The achievements will be permanently recorded in the students' files. The record details of the winners' excellent performance will be announced in the YZU Student Honor Bulletin. The Achievement Medals can be kept permanently by the winners. The Silver and Gold Medals will be returned to the university when the winners graduate. In addition, the Achievement Medal winners and the Gold Medal winners will receive NT\$10,000 and

NT\$5,000 respectively.

Clause 14 The winners should accept the invitation from YZU to serve in different public events to demonstrate their award-winning talents or achievements.

This will serve as encouragement to other students and honor the university.

Clause 15 This set of details is ratified in the Student Affair meeting and approved by the university affair meeting before implementation. All amendments require the same procedures.

If any controversies or disputes occurred regarding clauses of the contract, it shall always refer to its Chinese version.
