

Regulations for Moral Education Promotion Organization in Yuan Ze University

Passed in 22nd administration meeting of 101 academic year

Article 1 In order to construct and practice the core value and standard behavior of YZU, and to promote moral education in both depth and width, YZU Moral Education Promotion Organization is therefore formed. (thereafter MEPO)

Article 2 MEPO is composed of Student Purser, Head director of General Education, one representative from each college, one representative from Student Council, one representative from Student Commission. The term of service of each committee is one year, and is eligible for re-election. Director of Student Affair is the convener.

Article 3 MEPO is responsible for the following issues:

First: To enact core value of moral education and standard of behavior.

Second: To evaluate the content of moral education.

Third: To develop multi-facet activities of moral education.

Fourth: To promote moral education related affairs.

Article 4 During the meeting, Director of Student Affair has the right to invites staff or students to participate in the meeting when the discussed issues are related.

Article 5 One meeting is held per semester in principle. Extra legislative session is eligible when required.

Article 6 The regulations are implemented after the administration meeting approves; adjustment will be applied at the same time.
