

YZU Regulations for Appointing University Professor

Passed by the 20th Administrative Committee of the 2005 School Year, July 3, 2006

Article 1 “YZU Regulations for Appointing University Professor” (hereafter, ‘these regulations’) are established to treat full-time faculties who have outstanding contributions to University with high respect.

Article 2 Full-time faculties who have one of the following qualifications may be recommended to be a university professor:

1. Having made outstanding contributions to University’s development.
2. Having shown excellence in the academic field with outstanding achievements and have been rewarded with significant academic awards or academic lecture courses in or out of University.

Article 3 President shall appoint a university professor by selecting from University’s qualified faculties. The quota of a university professor will not be calculated into the total quota of a college, department or office. President may command Secretariat Office or relevant colleges to offer administrative support for a university professor.

Article 4 Teaching hours of a university professor shall be the same as those of University’s lecture course professor.

Article 5 President may ask a university professor to assist to promote the affairs of teaching, research, counseling and service.

Article 6 A university professor may be invited by relevant colleges to give related speeches, and they may also be the project director or give suggestions about the development of colleges.

Article 7 Prior to promulgation and enforcement, these regulations have been passed by Administrative Committee, the same for amendment.

If any controversies or disputes occurred regarding clauses of the contract, it shall always refer to its Chinese version.
