- The standards for the allocation of administrative management fees for research projects at the University are as follows:

Contracting Party	Allocation Standard	Remarks
National Science and Technology Council (NSTC)	In accordance with current NSTC regulations.	
Other Government Agencies (Excluding NSTC)	A minimum of 10% of the total project budget.	Government agencies with relevant regulations shall attach the agency's corresponding regulations.
Public agencies and their affiliated enterprises/legal entities	A minimum of 15% of the total project budget.	
Far Eastern Group Affiliates	A minimum of 15% of the total project budget.	
Other Private Enterprises	A minimum of 15% of the total project budget.	Applicable to private enterprises not affiliated with the Far Eastern Group.

Note: "Total Project Budget" is defined as the total research funding to be disbursed as stipulated in the contract.

- If management fees cannot be allocated according to the above standards, the principal investigator shall submit a certificate of management fee restrictions from the contracting unit prior to signing the agreement. The agreement shall be executed only after approval by the Office of Research and Development.
- These Standards shall be promulgated and implemented following approval by the Administrative Meeting.
