Article 1 To implement the Ministry of Education’s Top Research Center Project (hereinafter referred to as “the Project”), Yuan Ze University hereby establishes these Principles governing the payment standards for salaries of full-time and part-time personnel, in accordance with the Principles for the Use of Funds under the Aim for the Top University Project.

Article 2 The appointment procedures and salary standards for research faculty hired under this Project shall be governed by the “Yuan Ze University Research Center Appointment Regulations for Research Faculty (Contract-Based).”

Article 3 The appointment procedures for postdoctoral researchers employed under this Project shall be conducted in accordance with the “Yuan Ze University Procedures for the Employment of Personnel under Project-Based Programs,” and their salary standards shall be determined in accordance with the “National Science and Technology Council (NSTC) Standards for the Payment of Teaching and Research Fees for the Recruitment of Visiting Science and Technology Personnel.”

Article 4 The appointment procedures for full-time research assistants employed under this Project shall be conducted in accordance with the “Yuan Ze University Procedures for the Employment of Personnel under Project-Based Programs.” The salary standards shall be determined by the appointing unit based on the appointee’s academic background, professional experience, and expertise, with reference to the “Yuan Ze University Salary Payment Standards Table for Contract-Based Personnel” or the “National Science and

Technology Council (NSTC) Reference Table for Salary Payments to Full-Time Research Assistants under Subsidized Research Projects.”

Article 5 The salary standards for part-time research assistants employed under this Project may, depending on the nature of their duties, be determined in accordance with the “National Science and Technology Council (NSTC) Standards for Salary Payments to Part-Time Research Assistants under Subsidized Research Projects,” or be calculated based on actual working days and assigned responsibilities. Such salary payments shall be subject to approval through a special case application prior to disbursement.

Article 6 Full-time and part-time personnel receiving salaries under this Project shall not concurrently receive salaries from other publicly funded government projects.

Article 7 These Regulations, as well as the subsequent amendments therewith, shall be duly adopted by the Administrative Council prior to implementation.
