

Yuan Ze University Regulations for Awards for the World's Top 2% Scientists

Oct. 8, 2025 Adopted at the 5th Administrative Council Meeting, Academic Year 2025

- Article 1 These Regulations are established to encourage Yuan Ze University (YZU) faculty members to pursue research excellence and enhance the University's academic reputation and international influence.
- Article 2 Award Eligibility and Amount
1. The award shall be based on the World's Top 2% Scientists List compiled annually by Stanford University using the Scopus database.
 2. Full-time faculty members of YZU listed in the most recent edition of the ranking shall each receive a monetary award of NT\$10,000. In cases where a faculty member is listed in both the Career-long Scientific Impact and Annual Scientific Impact categories, the award shall be granted for one category only.
- Article 3 Approval Procedure
- After the release of the ranking, the Office of Research and Development shall compile the list of YZU awardees, submit it to the President for approval, and coordinate the disbursement of the award.
- Article 4 The funding for this award shall be covered by the Ministry of Education's Higher Education Sprout Project.
- Article 5 These Regulations shall be implemented upon approval by the Administrative Council. Amendments shall follow the same procedure.
